by Woody Guthrie & Rockland County Pride Chorus

F /// C /// G /// C / / /

This land is

[CHORUS]

F / / / / C / / / /

your land, this land is my land from Cali-

G / / / / C / / / /

ornia to the New York island, from the redwood

F / / / / C / Am /

forest to the Gulf Stream waters;

D / / G / / C / / /

This land was made for you and me. As I was

F / / / / C / / / /

walking that ribbon of highway. I saw ab-

G / / / / C / / / /

ove me that endless skyway; I saw be-

F / / / / C / Am /

low me that golden valley;

D / / G / / C / / /

This land was made for you and me. My grandma

F / / / / C / / / /

came here, and yours did, too They worked so

G / / / / C / / / /

hard for me and you. And now it's

F / / / / C / Am /

our turn to protect our future,

D / / G / / C / / /

This land was made for you and me. I roamed and

F / / / / C / / / /

rambled and I followed my footsteps. To the sparkling

G / / / / C / / / /

sands of her diamond deserts. All ar-

F / / / / C / Am /

ound me, a voice was sounding

D / / G / / C / / /

This land was made for you and me. They tried to

F / / / / C / / / /

silence, they tried to scare us. But we will

G / / / / C / / / /

never let them suppress us. A call for

F / / / C / Am /  
freedom! A call to rally!  
D / G / C / / /  
This land was made for you and me. This land is

your land, this land is my land from Cali-  
G / / / C / / /  
ornia to the New York island, from the redwood  
F / / / C / Am /  
forest to the Gulf Stream waters;  
D / G / C / / /  
This land was made for you and me. No one's ill-

F / / / C / / /  
egal on stolen land. Unless you're  
G / / / C / / /  
native, you're an immigrant. Migration's  
F / / / C / Am /  
natural, a human right you see  
D / G / C / / /  
This land was made for you and me. As I went

F / / / C / / /  
walking, I saw a sign there, and on the  
G / / / C / / /  
sign, it said "No Trespassing." But on the  
F / / / C / Am /  
other side, it didn't say nothing.  
D / G / C / / /  
This land was made for you and me. My heart was

F / / / C / / /  
heavy from the world around me. So I climbed a  
G / / / C / / /  
mountain and saw the beauty. And through the  
F / / / C / Am /  
darkness, a light was calling  
D / G / C / / /  
This land was made for you and me. A wealth of

F / / / C / / /  
language, the joys of culture. Different trad-  
G / / / C / / /  
itions that we must nurture. Come one an-

F / / / C / Am /  
other, to love each other.  
D / G / C / / /  
This land was made for you and me. This land is
